

TRAVEL BLOG

Dear partners,

The Nice Côte d'Azur Metropolitan Convention & Visitors Bureau is at your side to promote our territory and its riches!

Our **TRAVEL BLOG**, created in June 2020, aims to encourage visitors to explore our territory according to their affinities: port, contemplation, tasting, discovery...the articles are available in French, English and Italian.

Itineraries to visit the region in 3, 4, 5 or 6 days complete this offer.

Links to the pages of our partners and to the booking platform have been integrated to enable Internet users to go from dream to reality.
